THE Association of American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible for membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employees.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of the business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 Reward will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake directory.

BLACKSTONE LIBRARY.

The above cut represents the Blackstone Memorial Library. It was presented to the town of Branford by Timothy B. Blackstone, of Chicago, as a memorial of his father, James Blackstone, who was an honored and life long resident of Branford. Although some project of the kind had been often talked of in Branford, its first real inception dates from the efforts of Rev. M. K. Bailey, then rector of Trinity Church, to found a reading room or center for the younger men of the town to assemble. This project meeting with but slow financial response, a committee was formed, consisting of Alfred E. Hammer, Lester J. Nichols and Dr. C. W. Gaylord, to confer personally or by letter with several who having gone out from Branford might still have an interest in their native town. Out of these inquiries developed the offer of a gift to the town of a free library building and library. It was opened for use in 1896.

The building is 162 feet long by 129 feet wide and consists of two stories and basement. In the basement are the books least used, a store room, and the boiler room. On the first floor are the reading, reference, catalogue, and librarian's rooms, a stock room with shelves for 20,000 books, and a lecture hall with stage and gallery. On the second floor are the directors', retiring, and art rooms.

The reading and reference rooms are liberally supplied with the best literature of the day, and their use, together with that of the library, is free to all inhabitants of Branford.

A branch library and delivery station was opened at Stony Creek, February 3, 1900.

Librarian, Prof. H. M. Whitney; Assistant Librarian, Mrs. H. E. Palmer; Assistant, Miss B. R. Gaylord; at Stony Creek, Miss M. H. Smith.
